As an authorized representative of _____
("Customer"), I hereby authorize and appoint Interactive Intelligence Telecom, Inc. ("Interactive"), to be the Responsible Organization ("RespOrg," having ID IGT01) for the toll free numbers identified below ("the Toll Free Numbers") and grant Interactive authority to act as Customer's agent and contact Customer's existing carrier as may be necessary in connection with porting hereunder. After transfer is complete, Customer will promptly notify its existing carrier for the applicable disconnect and enable routing with Interactive. Customer has sole responsibility, and assumes all liabilities, for the use of, traffic, and the content thereof, on the Toll Free Numbers.
