Genesys and its business partners, licensors and suppliers reserve all rights not expressly granted in the Agreement and own all rights in all derivative works of the Materials and any copy, translation, modification, adaptation or derivation (including any improvement or development) of the Materials.

2.2 Use of Materials and Services. You will not, and will not permit or authorise any third party to: (a) sell, rent, lease, sublicense or otherwise make the Materials available to any third party except as expressly authorised by this Agreement; (b) modify or create any derivative works, functionally equivalent works, or translations of the Materials; (c) copy any feature, design or graphic in, or disassemble, reverse engineer or decompile the Materials or remove or modify any proprietary markings or restrictive legends placed on any Materials; (d) access or use the Materials to compete with Us or to assist anyone else to compete with Us; (e) remove or modify any proprietary markings or restrictive legends placed on any Materials; (f) take any action that jeopardises Our rights or the rights of Our business partners, licensors or suppliers in any Materials; (g) violate any law, regulation, mandate or court order; (h) use the Materials in a manner that is defamatory, harassing, infringing or otherwise causes damage or injury to any person or property; (i) transmit viruses or other deleterious code; or (k) damage, disable, overburden or impair the Materials or any other party's use of the Materials. You are responsible for any use of the Materials by Your Affiliates. You or any of Your end users may not or attempt to: (i) license, sell, lease or otherwise make the Services, or any like service, available to non-subscribers; (ii) use the Services in a way that violates any law, regulation or mandate, or the terms of this Agreement; or (iii) take any action that jeopardises Our Confidential Information or proprietary information or acquire any right in the Services or in anything else shared with or made available to You. In addition, unusually high usage of the Services may impair Our ability to provide high quality services to others and/or indicate unauthorised use of the Services, in which case We may suspend or terminate Your use. You acknowledge and agree that You alone decide the content and timing of Your telephone calls.

2.3 Similar Materials and Services. Subject to the confidentiality provisions of this Agreement, nothing in this Agreement precludes or limits Us in any way from providing materials or services that are similar to materials or services provided or contemplated in this Agreement or developing deliverables or other materials or services that are similar to or compete with any materials or services developed as a result of this Agreement, regardless of their similarity to any Materials, including Deliverables. We are free to use any concepts, processes, techniques, improvements or other know-how developed by Us in the course of performance of this Agreement (even if similar to materials, products and services provided hereunder) free from any use restriction or payment obligation. For the avoidance of doubt, but subject to this Agreement, including this Clause 2.3, We do not claim any rights to Your Confidential Information.

2.4 Cloud Services License. We grant You and Your Affiliates a non-exclusive, non-transferable, worldwide right, limited to the Term, to authorise individuals solely within Your and Your Affiliates' organisation to access the Cloud Services during the term of a Services

SECTION THREE – CONFIDENTIALITY

- 3.1 Parties and Exceptions.** For purposes of this Agreement, the party disclosing Confidential Information is referred to as the “**Discloser**” and the party receiving Confidential Information is referred to as the “**Recipient.**” “**Confidential Information**” means proprietary information of Discloser, or third party proprietary information disclosed to Discloser, that is provided to Recipient. Recipient’s obligations to protect Discloser’s Confidential Information does not apply to information that: (i) is or becomes, through no act or omission of Recipient, publicly available; (ii) is known by Recipient at the time of receipt, as shown by Recipient’s contemporaneous written records; (iii) is subsequently and rightfully provided to Recipient by a third party, without restriction on disclosure; or (iv) is independently developed by Recipient without use of or access to Discloser’s Confidential Information. Our Confidential Information includes the Materials and technical information relating to the Materials.
- 3.2 Confidentiality.** Recipient will safeguard the confidentiality of Discloser’s Confidential Information, including at a minimum, the precautions taken by Recipient to protect its own Confidential Information but in any event no less than reasonable precautions. Recipient will: (a) not disclose or use Discloser’s Confidential Information for any purpose other than as contemplated by, and consistent with, the terms of this Agreement, (b) limit access to Discloser’s Confidential Information only to its employees and agents who have a need to know such information and who are bound by written confidentiality obligations at least as protective as the requirements of this Agreement, and (c) not sell, transfer, disclose or otherwise make available Discloser’s Confidential Information to any third party without the other party’s prior written consent. If Recipient is required to disclose Discloser’s Confidential Information under the terms of a subpoena, court order, governmental rule or regulation or other judicial requirement, unless legally prohibited from doing so, Recipient will promptly notify Discloser of the existence, terms and circumstances surrounding such a request or requirement so that Discloser may seek an appropriate protective order. If Discloser seeks a protective order, Recipient will reasonably cooperate in such effort at Discloser’s expense. Subject to Recipient’s compliance with the foregoing notice and cooperation obligations, Recipient will be allowed to make the required disclosure.
- 3.3 Return of Confidential Information.** The Recipient will return any tangible materials containing Confidential Information, and any copies or reproductions thereof, to the Discloser within thirty (30) days after the Discloser’s written request. Recipient agrees to undertake whatever action is reasonably necessary to remedy any breach of Recipient’s confidentiality obligations or any other unauthorised disclosure or use of the Confidential Information by Recipient, its employees, its agents, or contractors. The Recipient acknowledges that monetary damages may not be a sufficient remedy for unauthorised disclosure of Confidential Information and that the Discloser Party will be entitled, without waiving any other rights or remedies, to such injunctive or equitable relief as may be deemed proper by a court of competent jurisdiction without the necessity of posting any bond.

SECTION FOUR – PAYMENT, TAXES AND RECORDS

- 4.1 Cloud Services.** You will pay all fees and charges for Cloud Services pursuant to the applicable Schedule and Services Order. Upon execution by both parties, each Services Order will be a non-cancelable, non-refundable order by Customer. We reserve the right to suspend the Cloud Services, or portion thereof, or reject or cancel the transmission of any information through the Cloud Service based upon (i) reasonable belief that the use of the Cloud Services is in violation of applicable Laws, (ii) Subject to Clause 4.3, Your failure to pay amounts when due, or (iii) an imminent compromise to the security or integrity of the network. As practicable depending on the circumstances, We will provide notice of the suspension and keep You reasonably informed of Genesys’ efforts to restore the Cloud Services. Each year within a specified Term requires payment in exchange for the continued use of Cloud Services. You acknowledge and agree that fees quoted in a Services Order are contingent upon the agreed upon length of the entire multi-year Term. **These fees are not subject to early termination or cancellation and this obligation may not be waived.**
- 4.2 Timing, Payment Disputes and Taxes.** All invoices for Services are due and payable within thirty (30) days of receipt unless otherwise set forth in the Services Order. Unless otherwise agreed, You will pay all amounts due hereunder via Automated Clearinghouse (ACH), wire, or using Our E-bill portal, if applicable. We will provide invoices electronically via email to a provided email address. If an invoicing portal is used, it will be provided at the time the order is placed with Us. Subject to Clause 4.3, all past due payments will bear interest at the rate of 1.5% or such lower rate as is required by law. You will pay any late payment charge upon remitting the principal amount to Us and will pay all collection costs incurred by Us. If any undisputed, invoiced amounts are more than thirty (30) days overdue then We may immediately suspend Your use of the Cloud Services. Except as otherwise specified in the Services Order, the

fees do not include any taxes. You are responsible for paying all taxes, levies, including any universal service fees, duties, or similar items, including any value-added, sales, use or withholding taxes other than taxes on Our net income (**collectively “Taxes”**) associated with the Services Order and reimbursing Us for any Taxes with respect to the amounts due under any Services Order. If You are required to withhold Taxes from amounts payable to Us, You will timely remit it to the appropriate governmental authority in accordance with applicable laws and You will promptly furnish Us with the official receipt of payment of such Taxes to the appropriate taxing authority. You will not rely on Us to determine taxability and You are ultimately responsible for assessing and paying any applicable Taxes. If You provide us with an incorrect ship-to address or, where applicable, You do not provide Us with a valid tax exemption certificate prior to placing an Order, We will not provide You with a credit for such Taxes and You will be responsible for getting a refund from the applicable tax authority. Despite any other provision in this Agreement, if a party (**“Supplier”**) makes a supply under or in connection with this Agreement which GST is imposed (not being a supply which has been described as **“GST inclusive”**):

- (a) the consideration payable or to be provided for that supply under this Agreement but for the application of this Clause (**“GST exclusive consideration”**) is increased by, and the recipient of the supply (**“Recipient”**) must also pay to the Supplier, an amount equal to the GST payable by the Supplier on that supply; and
- (b) the amount by which the GST exclusive consideration is increased must be paid to the Supplier by the Recipient without set off, deduction or requirement for demand, at the same time as the GST exclusive consideration is payable or to be provided, provided that the Supplier has provided the Recipient with a Tax Invoice. (Words or expressions used in this Clause which are defined in the A New Tax System (Goods and Services Tax) Act 1999 (Cth) have the same meaning in this Clause.)

4.3 Fee Disputes. If You in good faith dispute the amount of any invoice, You will timely pay the undisputed amount and will notify Us in writing of the disputed amount no later than the date payment would otherwise be due, providing the reasons for the dispute. The parties will attempt in good faith to resolve the dispute within thirty (30) days after Our receipt of Your notice of dispute (**the “Resolution Period”**), during which time withholding of the disputed amount will not be considered a material breach of this Agreement, no interest will accrue for late payment of the disputed amount. Upon resolution of the dispute, You will pay the resolved amount promptly but in any case within ten (10) days of mutual written agreement resolving the dispute. If the dispute is not resolved within the thirty-day (30) Resolution Period, then each party will be entitled to pursue all available remedies.

SECTION FIVE – PROFESSIONAL SERVICES

5.1 Professional Services. If applicable, We will provide the Professional Services identified in a Services Order or SOW executed by the parties.

SECTION SIX – WARRANTIES

6.1 Cloud Services Warranty. Beginning on the date that the term of the initial Services Order for Cloud Services commences, We warrant to You that the Cloud Services will materially conform to the then current description of the Cloud Services in the Documentation. If You become aware of a warranty breach, You must notify Us in writing. Your sole and exclusive remedy for breach of this warranty will be either: (i) allow Us to modify the Cloud Services to conform to the current descriptions; or (ii) allow Us to provide a workaround solution that will reasonably meet Your requirements. If neither option is commercially reasonable, We may terminate the Agreement and refund any pre-paid, unused fees.

6.2 Professional Services and Support Warranty. We warrant that the Professional Services and Support will be performed in a professional and workmanlike manner and in accordance with applicable requirements of this Agreement and any applicable SOW or Services Order. Your sole and exclusive remedy for breach of this warranty will be for Us to re-perform non-conforming services.

6.3 Disclaimer. Except as expressly provided in this Clause 6 (Warranties), all Services and other Materials of any kind, including any and all materials, third party products, deliverables, customisations, hardware, Professional Services, Support Services, and Cloud Services, are provided ‘as-is’. We (and Our business partners, licensors and service providers) disclaim all warranties, conditions, representations, indemnities and guarantees, whether express or implied, arising by law, custom, prior oral or written statements or otherwise (including any warranty of merchantability, satisfactory quality, fitness for a particular purpose, title, non-infringement, compatibility, security, quiet enjoyment, timeliness, completeness or accuracy). Without limiting the foregoing, We do not warrant that use of any Materials or Services will be uninterrupted or error free or that all defects in any of the Services or other Materials of any kind will be corrected. You assume all responsibility for the selection of the Services or other Materials necessary to achieve Your intended results. To the extent We cannot disclaim a warranty as a matter of applicable Law, the scope and duration of such warranty will be the minimum permitted under such law.

6.4 We will have no further warranty obligations to the extent a claim arose from the Exclusions. Further, the remedies set forth in this Clause 6 (Warranties) are Your sole and exclusive remedy(ies) for any breach of the foregoing warranties and to the extent that any other agreement between Us is determined by a court to provide for a different remedy, this Agreement will control.

SECTION SEVEN – LIMITATION OF LIABILITY AND INDEMNIFICATION

- 7.1 Consequential and Related Damages Exclusion.** Except for either party's intellectual property obligations (and in the case of Customer, its obligations under Clause 2 (Scope of Use), in no event will either party (and in the case of Genesys, its business partners, licensors or service providers) be liable for any indirect, incidental, special, indirect, consequential or punitive damages of any character (including damages for loss of business, opportunity or good will, work stoppage, lost or corruption information or data, loss of revenue or profit, computer failure or malfunction, and telecommunications charges from unauthorised access), cover damages or other such damages regardless of the legal theory asserted, whether based on breach of contract, breach of warranty, tort (including negligence), product liability, strict liability or otherwise, arising our or in connection with this Agreement or any Services or other Materials of any kind provided by Genesys, including any and all third party products, Deliverables, customisations, Services, hardware, Professional Services, Support Services, Cloud Services, even if informed of the possibility or such damages and even if a remedy if found to have failed its essential purpose.
- 7.2 Limitation of Liability.** Genesys' (and its business partners', licensors' and suppliers') total liability for any loss, cost, claim or damages in connection with the performance or contemplated performance of this Agreement, will not exceed the fees paid or payable to Genesys in the twelve (12) months preceding the claim for the Materials or Services that actually caused the loss, cost, claim or damage. Customer acknowledges and agrees that this limitation on liability forms a fundamental basis of the bargain hereunder, in the absence of which, the annual term of and fees payable under this Agreement would have been different. This Clause will not apply to damages that cannot be limited or excluded by law (in which event the limitation will be the minimum amount required by law).
- 7.3 Genesys Indemnification.** We will pay to defend You at Our expense and indemnify You for any amounts awarded against You in a final judgment or settlement approved by Us, with respect to any claims by a third party that the unaltered Cloud Services, as originally delivered to You, infringe or misappropriate any patent, copyright, trade secret or other proprietary right enforceable in Australia. If Your use of the Cloud Services is enjoined, We may at any time and at Our option and expense: (i) obtain for You, a license to continue to use the Cloud Services that may infringe a third party's rights; (ii) modify the Cloud Services so as to avoid infringement while preserving substantially equivalent functionality; or (iii) terminate the Agreement and the licenses granted hereunder and refund to You the prepaid and unearned fees covering the remainder of the term of the applicable Services Order.
- 7.4 Customer Indemnification.** You will defend Us and Our Affiliates at Your expense, indemnify Us and Our Affiliates against any judgments finally awarded by a court, and pay any settlements agreed to with respect to any third party claims, governmental investigation or other claims in connection with circumstances: (a) that Customer Data and/or Your method or process of doing or conducting business infringes any intellectual property rights of a third party; (b) arising from Your non-compliance with the Agreement, including Clause 2 (Scope of Use); or (c) any circumstances arising under the Exclusions.
- 7.5 Indemnification Procedures.** A party entitled to indemnification ("**Indemnified Party**") will promptly notify the other party ("**Indemnifying Party**") of any claim and provide reasonable assistance to the Indemnifying Party with respect to handling the claim, at the Indemnifying Party's expense. Failure to provide timely notice or reasonable assistance will relieve the Indemnifying Party of its indemnification obligations to the extent that the Indemnifying Party has been materially prejudiced thereby. The Indemnifying Party will have the sole right to defend and settle any claim (except that the Indemnifying Party may not agree to any settlement that does not unconditionally release the Indemnified Party, without the Indemnified Party's prior written consent). The Indemnified Party will be entitled to participate in the defense of a Claim and to employ legal representation at its own expense to assist in the handling of a claim.
- 7.6** We will have no defense, warranty or indemnification obligations to the extent any claim(s) arose from an Exclusion(s). Further, Clauses 7.1, 7.2 and 7.3 state the entire liability and obligation of Us, and Your sole and exclusive remedy, with respect to any misappropriation claims or infringement or claims of infringement by the Services, or any part thereof, of any patent, copyright, trade secret or other proprietary right enforceable in Australia.

SECTION EIGHT – TERM AND TERMINATION

- 8.1 Term.** The term of this Agreement will begin on the Effective Date and will continue during the term of all outstanding Services Orders and SOWs issued under this Agreement (the "**Term**"). Each Services Order will indicate its term.
- 8.2 Termination for Cause.** Either party may terminate the Agreement upon notice and thirty (30) days opportunity to cure (if susceptible to cure) if the other party breaches a material term of the Agreement, makes an assignment for the benefit of creditors, admits in writing its inability to pay debts as they become due, files a petition in bankruptcy under applicable laws of any state or country or appoints a receiver, or acquiesces in the appointment of a receiver or trustee, or liquidator. Failure to pay and violation of proprietary rights obligations are material breaches. If, during the cure period referenced in this Clause 8.1, We document an effort to promptly cure the breach, then, notwithstanding anything to the contrary, You will not terminate the Agreement while such good faith efforts are continuing. Our efforts to cure the breach may not exceed 120 days from Your notice. If You terminate for cause, as Your sole and exclusive remedy We will refund any pre-paid, unused fees for the Cloud Services.
- 8.3 Effect of Termination.** Immediately upon termination, the licenses granted hereunder and rights to use will terminate, and You must stop using the Materials. Within five (5) days after termination You will (a) return the Materials and all copies or (b) destroy the Materials and all copies, and confirm in writing that they have been destroyed. We will retain data for thirty (30) days, during which time You may request a copy of Your data. You will have access to retrieve Your Customer Data up to the date of termination at no additional charge. If You require additional time to retrieve Your Customer Data beyond the date of termination, You may request, and We will grant, a

thirty (30) day extension to the Term of the Agreement; provided such request is made on or prior to the termination date. During the extended period, You will be charged for Your usage in accordance with the monthly term structure described in Clause 5.2.1 of the PureCloud Schedule attached hereto. Your PureCloud Service will be terminated at the end of the extension period, unless You request additional extension period(s) prior to the effective termination date.

- 8.4 Survival of Terms.** All terms of this Agreement which, by their nature, are intended to survive termination of this Agreement will survive termination, including all payment obligations, use restrictions, confidentiality obligations, ownership terms, customer data terms, warranty disclaimers, indemnification obligations, disclaimers, Exclusions and limitations of liability and general terms.

SECTION NINE – CUSTOMER DATA

- 9.1 Ownership of Customer Data.** As between Genesys and You, You retain ownership of and all intellectual property rights in Customer Data and grant Us a non-exclusive, non-sublicenseable (except to parties working on Our behalf), non-transferable, royalty-free license to access, process, store, transmit, and otherwise make use of the Customer Data as necessary to provide the Services and to otherwise fulfill Our obligations under the Agreement. You may provide Customer Data for use with the Services, and You are solely responsible for the content and legal sufficiency of Your Customer Data. We make no claim of ownership to Customer Data.
- 9.2 Transfers of Data.** You agree that the Customer Data may be transferred or stored outside the country where You and Your customers are located in order to carry out the Services and Our other obligations under the Agreement. You represent and warrant that You have obtained all consents necessary for Us to collect, access, process, store, transmit, and otherwise use Customer Data in accordance with the Agreement. You will comply with all requirements of integrity, quality, legality and all other similar aspects in respect of Customer Data. We may, but are not obligated to, review or monitor any Customer Data. We expressly disclaim any duty to review or determine the legality, accuracy or completeness of Customer Data.
- 9.3 Privacy.** We have developed and will maintain a privacy program designed to respect and protect Customer Data under Our control. We will not rent or sell any Customer Data. We will keep the Customer Data secure and confidential in accordance with Clause 3 (Confidentiality) of this Agreement and Our security and privacy policies. You consent to Our use of Customer Data to provide the Services to You, including Our use of AWS for storage of Customer Data in accordance with the AWS Customer Agreement. Our security and privacy policies, which are incorporated by reference, are located at <https://help.mypurecloud.com/articles/purecloud-security-compliance/>.
- 9.4 Service Improvements.** We may aggregate data and information related to the performance, operation and use of the Cloud Services to create statistical analyses, to perform benchmarking, to perform research and development and to perform other similar activities (“**Service Improvements**”). We will not incorporate Customer Data in Service Improvements in a form that could identify You or Your customers and We will use industry standard techniques to anonymise Customer Data prior to performing Service Improvements. We retain all intellectual property rights in Service Improvements and may make them publicly available.

SECTION TEN – GENERAL

- 10.1 Marketing.** Subject to prior written approval of content, You grant Us with the right to issue a media release after the Effective Date announcing that You have become a Genesys customer, and to make other announcements and place promotion in various publications and media. Except as set forth in a mutually agreed written public statement, You will not imply or state that You are affiliated with or endorsed by Us, publicise the existence of the Agreement, or disclose any of its terms. You also agree that, not less than once per calendar quarter during the Term, to act as a reference customer as requested by Us.
- 10.2 Assignment.** Neither party may assign its rights or obligations under the Agreement, either in whole or in part, except (1) with respect to a sale of substantially all of the assets of its business, merger, or change in the party’s ownership, (2) to an Affiliate or (3) with the prior written consent of the other party. Without limiting the preceding sentence, the rights and liabilities of the parties hereto will bind and inure to the benefit of their respective successors and assigns. You understand and agree that third parties, including but not limited to Genesys’ affiliates (e.g. e.g. Interactive Intelligence Hardware, Inc.) may provide products and services to You in connection with the Agreement. You agree that any such third parties may directly invoice You for services rendered and products delivered and You agree to pay such invoices in accordance with the Agreement. Additionally, in order to comply with international tax codes, We may assign billing rights to international subsidiaries in the event that You use the Cloud Services outside of Your region.
- 10.3 Compliance with Laws.** We will make every reasonable effort to operate in an ethical and law-abiding manner. However, it would be impossible for Us to verify that everything You do or attempt to do with Our products and services complies with every applicable law. You are responsible for ensuring that Your use of all products and services is in accordance with laws and regulations that apply to You and Your business or industry, including, but not limited to, the Telecommunications Act 1997 (Cth) and Acts related to telecommunications and the relevant industry codes approved by the Australian Communications and Media Authority. Further, You will not export or re-export, directly or indirectly, any products or Our confidential or proprietary information to any countries outside the United States except as permitted under the U.S. Commerce Department’s Export Administration Regulations and Australia except

as permitted by the relevant Acts (including the Defence Trade Controls Act 2012 (Cth)). You warrant that neither You, any affiliate, or any end user are on any government-issued list of restricted persons or entities including the Commerce Department Entity List, Denied Persons List or Unverified List, the Treasury Department Specially Designated Nationals and Blocked Persons List, and the State Department Debarred Parties List or under any relevant Australian law.

- 10.4 Cumulative Remedies, Force Majeure and Injunctive Relief.** All remedies available to Us will be cumulative and the specification of a remedy will not preclude Us from pursuing other remedies available at law, or in equity. Neither party will be responsible for acts of Force Majeure. Nothing in this Agreement will prevent Us from seeking immediate injunctive relief against You in the courts having jurisdiction over You.
- 10.5 Governing Law.** This Agreement will be governed by the laws of the State of New South Wales. Any legal or equitable claim of any nature arising hereunder will be filed and maintained in the courts having jurisdiction in New South Wales, and the courts of appeal from them.
- 10.6 Independent Contractors.** The parties are acting as independent contractors. Nothing in the Agreement will be construed to create a partnership, joint venture or agency relationship between the parties.
- 10.7 Third party beneficiaries.** No third-party beneficiary relationships are created by this Agreement.
- 10.8 Notices.** Notice may be given between the parties in accordance with the notice policy set forth at <https://help.mypurecloud.com/articles/notices/>.
- 10.9 Waiver.** No provision of the Agreement may be waived unless such waiver is in writing and signed by the party against which the waiver is to be effective.
- 10.10 Severance.** If any provision of this Agreement is deemed invalid, illegal, or unenforceable, it will be considered stricken from this Agreement, and the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.
- 10.11 Complete Agreement; Amendment.** The Agreement constitutes the complete agreement between the parties and supersedes all prior agreements and representations, written or oral, concerning the subject matter of the Agreement. In the event of a conflict between the terms of a Services Order or SOW and the other provisions of the Agreement, the terms of the Agreement will take precedence. The Agreement, other than as permitted under Clause 10.12 (Modifications), may not be modified or amended except in a writing signed by a duly authorised representative of each party. The terms of the Agreement will supersede the terms in any purchase order submitted by You or other ordering document.
- 10.12 Modifications.** We may modify any websites referenced in the Agreement at any time by posting a revised version on the applicable Genesys websites or by otherwise notifying You in accordance with the Notice provisions in Clause 10.8 (Notices). The modified terms will become effective upon posting or, if We notify You by email, as stated in the email message. By continuing to use the Services after the effective date of any modifications to the Agreement, You agree to be bound by the modified terms. If such modification materially decreases any of Our obligations or the functionality of the applicable Service, You may terminate this Agreement by providing Us with written notice within thirty (30) days of the effective date of the applicable modification. Any such termination will be effective thirty (30) days after We receive written notice from You.

5. **Term and Payments.**
 - (a) **Term.** This Agreement governs use of the PureCloud Services starting on the Effective Date and continues until the end of the term of all Services Orders for PureCloud Services. The Initial Subscription Term shall begin after a period specified in the Services Order (if applicable) that is intended to allow You to implement the PureCloud Services (“**Ramp Period**”). If the Ramp Period is applicable under the Services Order, the Ramp Period shall begin upon our acceptance of the Services Order and shall be one hundred twenty (120) days if not otherwise specified in the Services Order. The Initial Subscription Term shall begin upon the end of such Ramp Period. At the end of the Initial Subscription Term and each renewal Subscription Term, Services Orders for PureCloud Services shall automatically renew on the same term and payment structure (as those options are described in Clause 5.2 below) as specified in the previous Service Order, unless: (a) either party provides the other party written notice of its intent to not renew at least 30 days prior to expiration of the then-current Subscription Term (“Non-renewal Notice Date”); (b) the expiring Services Order provides for a different automatic renewal period; or (c) the parties agree in writing to renew for a term of different duration. However, if a written agreement for a different renewal term duration occurs after the Non-renewal Notice Date, the new renewal term duration

may only be greater than the renewal term duration that would have been applicable had the Services Order automatically renewed as described in this Clause. If neither party has notified the other of non-renewal by the Non-renewal Notice Date, the parties will not be permitted to cancel the automatically renewing Subscription Term without the other party's written agreement. Pricing for any subsequent renewal period shall be at our then current list pricing, unless otherwise agreed upon in an Services Order.

(b) **Payment Structure.** You must pay the fees listed on the relevant Services Order. Subscription payments will be structured differently based on the term You select from the three options below and the payment structure will be set forth in the Services Order. The fees identified in the Services Order are exclusive of shipping fees, and You will pay the shipping fees (if applicable) identified in the invoice.

(i). **Monthly Term.** The actual monthly fees will be calculated based on usage and invoiced to You in arrears on a monthly basis. Payment will be due within thirty (30) days of the date of an invoice, unless the Services Order provides for a different payment term. Subscription prices for the monthly term are subject to changes in our then current pricing. Note that subscription pricing for a monthly term is at a higher price than that for an annual term. During the Ramp Period, no monthly minimum will apply. After the ramp period, there will be a monthly minimum that is set forth in the Services Order.

(ii). **Annual Term.**

A. **Annual Pre-Payment.** You will be billed in advance for twelve months of subscription fees. Unless the Services Order provides for a different payment term, such payment shall be due within thirty (30) days of the Effective Date, regardless of whether or not a Ramp Period applies. This payment covers the minimum commitments for the Subscription Term, beginning upon the end of the Ramp Period. During the Ramp Period, You will be billed for actual usage at the pro-rated Annual Subscription rates set forth in the Services Order. After the Ramp Period, if actual usage in a month exceeds Annual Subscription amount set forth in the Services Order (prorated for a one-month period), You will be charged for such excess usage at the Subscription Overage fee listed in the Services Order. All invoices are due within thirty (30) days of the date of such invoice, unless otherwise provided in the Services Order. Any prepaid amount is non-refundable.

B. **Monthly Payment.** During the Ramp Period, You will be billed for actual usage at the monthly subscription rates set forth in the Services Order. Your monthly subscription fees will be set forth in the Services Order. After the Ramp Period, the monthly subscription represents a minimum billing amount, which will be billed in advance of each month. Any usage above the monthly subscription will be charged at the subscription overage fee listed in the Services Order, which will be billed monthly in arrears.
